EQUIPMENT

I am horribly, horribly awkward in social situations.
I'm used to helping out those who aren't as smart as I am, and I patiently explain anything and everything to others.

PERSONALITY TRAITS

Knowledge. The path to power and self-improvement is through knowledge. (Neutral)
Being badass like my mom
Making the world a better place
Writing everything down, researching to learn more. Just like dad.
We're all connected for better or worse

IDEALS

I've been searching my whole life for the answer to how spirits connect all of us.
To my adventure book my dad gave me. Don't lose this.
To my sister (protect her when she does stupid things and also follow her). And dad
The connection I have to all other beings.

BONDS

I am easily distracted by the promise of information.
Being afraid of things and wanting to stay home instead of exploring
Trust books more than people
I'm socially awkward due to spending most of my time in my dad's library

FEATURES & TRAITS

Feline Agility

When you move on your turn in combat, you can double your speed until the end of the turn. Once you use this trait, you can't use it again until you move 0 feet on one of your turns.

Quickening

At 1st level, you gain the ability to enter a trance known as the witch's quickening, letting you see beyond the borders of the material world. As an action you can enter this trance to see into the Ethereal Plane up to 60 feet.

Additionally you also gain insight into the emotional energy surrounding you, you know if and what spirits are bound within 60 feet, and you gain advantage on Wisdom (Insight) checks.

The trance lasts for 1 minute, or until you end it as an action. You can use this feature a number of times equal to your Charisma modifier (minimum 1). You regain any expended uses when you finish a long rest.

Library Access

Though others must often endure extensive interviews and significant fees to gain access to even the most common archives in your library, you have free and easy access to the majority of the library, though it might also have repositories of lore that are too valuable, magical, or secret to permit anyone immediate access.

You have a working knowledge of your cloister's personnel and bureaucracy, and you know how to navigate those connections with some ease.

Additionally, you are likely to gain preferential treatment at other libraries across the Realms, as professional courtesy shown to a fellow scholar.
